Details for Thee Backslacpkping with Star Wars Media (TBSWM) DVD-Rip (av

Created by [mMathab](#) 1 week ago

**Movies : Documentary : Other quality : English**

Not my creation. This is a rip from the original 8 gb source posted on alt.binaries.starwars, see information bellow.

- Main movie only (no menu, not bonus)
- Main soundtrack (no alternate director commentaries)
- No subtitles
- 711 mb avi (divx/mp3)

Its' focus is on the media perception ([corporations](#) and individuals) of the Star Wars phenomenon during the run upto and just after the release of Revenge of the Sith. How this was accomplished was by finding as many sources as i could which dealt with the issue and then cutting-up and recompiling those clips into chapters which reflect societies themes and memes.

Hello, this is the creator of this disc. Thanks for the more easily digestible version, to help spread knowledge of this project.

To those who are [reading](#) this, the full DVD is available from the website:  
[http://www.noneinc.com/tBSWM/tBSWM\\_FAQ.html#WatchOnline](http://www.noneinc.com/tBSWM/tBSWM_FAQ.html#WatchOnline)  
 I recommend it, because of the extra features you'll be able to interact with. The aurebesh subtitles are available for those who read Basic.

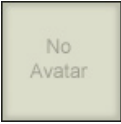

If you can't wait for this 700 meg file to download, individual chapters can be watched/streamed from the website:  
[http://www.noneinc.com/tBSWM/tBSWM\\_FAQ.html#DVDChapter](http://www.noneinc.com/tBSWM/tBSWM_FAQ.html#DVDChapter)  
 (and the website streaming version has the chinese subtitles burned in as the disc was ment to be viewed, and those individual chapter mp4 files are around 930 megs in total)

Note: the archive.org individual chapters which are not compressed are extremely large, actually they are double the size of the final DVD... I didn't use much compression...

If you have any questions or comments, i'll do what i can to answer them.

thanks mMathab and whom ever downloads.

wat is this is? 😞 😞 😞 😞 😞 😞 😞

Vash the Stampede: I'm like a hunter of peace. One who chases the elusive mayfly of love... or something like that.

Vash the Stampede: That cross is awfully heavy.  
Wolfwood: That's because it's filled with mercy.

[ [Edit](#) ] [ [Delete](#) ]

Vashgun: Imagine if you were able to search through all the video produced ever, and have a [search engine](#) produce a program which fit your search requirements.

In this case, about 40+ hours of media (700+ programs), all which focused on Star Wars around the release of Revenge of the Sith have been cut-up and recompiled into chapters which focus on different topics.

You can review the chapter titles here: (maybe one of them will interest you)  
[http://noneinc.com/tBSWM/tBSWM\\_FAQ.html#DVDChapter](http://noneinc.com/tBSWM/tBSWM_FAQ.html#DVDChapter)  
and if you click on 'play' on the right that chapter will start.

So for instance if you wanted to know what people were saying about how much money Star Wars made you'd watch the '\$' chapter:  
[http://noneinc.com/tBSWM/tBSWM-Video-ArchiveOrg/Thee\\_Backslacpkping\\_With\\_Media-Chap\\_09-PlayCont.html](http://noneinc.com/tBSWM/tBSWM-Video-ArchiveOrg/Thee_Backslacpkping_With_Media-Chap_09-PlayCont.html)

Again the complete DVD can be downloaded from the website, so if you like what you see, think about burning your own copy.
