Do not want

Another meme...

Do not want

DO NOT WANT

This meme, which is already spread all over the Internet, started with a pirated chinese DVD from Star Wars Episode 3: Revenge of the Sith.

The movie was translated to chinese, and then retranslated back to english subtitles... the result was Star War: The Backstroke of the West. (sic sic sic sic³)

Watch a collection of movie scenes:

Or on the [official page from the guy who made this discovery](#).

Ok, so what?

So that in the movie ending, when Darth Vader screams “Nooooo”, the genius subtitles translated as “Do not want”. 😁

Do not want

And since this is one of the most “intelligible” translations from the whole movie, people decided to adopt it as a new meme.

One of the images that started it all was Broccoli dog:

Do not want

Because let's face it: it's hilarious! But the meme spread to all levels, mixing with stuff like [lolcats](#):

Lolcat - Do not want

Lolcat - Do not want

Do not want

Animes:

Do not want

Do not want

(Suiseiseki, from Rozen Maiden)

Politics:

Bush - Do not want

Queen - Do not want

And... hmmm... other levels:

Do not want

Do not want

Do not want

Do not want

There are tons of other images just like these... Google Images for them. The expressions is oftenly used to demonstrate rejection to something.

So, that's it. There are variables to it too, but I'll write about them in some other post, since this one is already too big.

But for XSpBlog, you have to use: DO WANT! 😊
