Backstroke Of The West

A few years ago, I, along with many delighted blog readers, stumbled upon the most hilarious post ever: <http://winterson.com/2005/06/episode-iii-backstroke-of-west.html>

Jeremy, the owner of the blog, bought a pirated copy of Revenge of the Sith in Hong Kong and found out that the pirates have added hilarious English subtitles to the film.

Now the English site has made a YouTube clip of some of the scenes, which I have embedded below, but really, go to Jeremy's blog and you'll piss your pants laughing.
