## backstroke of the west

may the force be with you?

this is damn hilarious. the subtitles are a direct english translation of the chinese interpretation of what the script was saying. clicky clicky!

the [author](#) of this photoblog is currently going thru a mid-20s crisis and takes pictures of things that catches his eye. he's currently struggling to pick up the bass and rides a scrambler(and enjoying it immensely). he doesn't seem to be able to get enough reading and music listening done and has an unhealthy obsession with diving(a little too out of hand).
