Hee hee hee. Is this for real?

By the way...what was so bad about Francis Fanthome?

And we should get some economist-type to discuss the yuan thing with us. You think Tawaks will be up to it? [Note sarcastic undertone.]

That was hilarious! His friend Dan did a better job on his site. I love subtitles! Especially while watching Hindi movies, when they translate the songs... gosh! The funniest thing ever! :D

Hey JonJon long time no see...

Yeah the Star Wars thing was pretty funny I thought. A lot of people are saying it's fake but knowing the Chinese it could damn well be real.

Nothing's too bad about FF, just don't like the guy. Always knew he was corrupt...and he screwed us in our ICSE exams.

Yeah, the Yuan thing. I underplayed that cause I thought no one would want to get the hardcore on the economic implications of a 2% revaluation of a currency. The closest Tawaks has come to the chinese economy these days are Pekinese cats (sorry couldn't resist!).

Ms. V, I know what you mean. Hindi subs are equally funny... "holy shit" --> "dharmik tatti"!

jah mighty, i'm no star wars fan. anyways, i did mean revalued and not devalued. a devaulation would have had the Americans hopping mad and quite unemployed.

England got hammered, ho hum, so what else is new? KP was the highest scorer in the match. That dead rabbit is quite the new kid on the block
