Thanks, the HH film although gives a really good sense of creative spirit and HHs' impulses. There's something impressive about the insane amount of

"unwanted" bad choice of words, i, obviously wanted to do it... ahh the perils of being in a schtick coma.

Thank you Peter! Far from being unwanted, I think it's a considerable improvement over the HH film (which I found kind of pretentious and pointless).

Q: did you just do the mashup yesterday?!? bravo.  
best,  
steev
