To swerve,

As requested this letter is the written approval of the artwork sent through e-mail on 5/14/2010. All the elements were there and the disc silver non-print area showed correctly when I opened it in photoshop.

Also included is a revised purchase form with modified deadline (6/14/2010), since we needed to have this letter approval.

Thanks for your attention, let me know what's the next step.

Sincerely,

Peter A Lopez
