Dear Judge Jones:

Attached for your review and consideration is a victim impact statement detailing the losses sustained by RIAA member companies resulting from the defendant's criminal activity in the above referenced matter. Also attached are the following documents in support of the request for restitution:

- Memorandum in Support of Request for Restitution
- Evidence Chart – MP3 files and number of times downloaded
- Evidence Chart – “Unauthorized Downloads of RIAA Member Sound Recordings – Daniel Dove”
- Spreadsheet listing average wholesale value of albums offered by digital download
- RIAA letters of authorization

Please do not hesitate to contact me at (202) 857-9643 or at clinares@riaa.com if I may be of further assistance. Also, please know that I am readily available to provide in-court testimony in support of this request for restitution if necessary. Thank you for your attention in this important matter.
