Re: *US v. Dove*:
Response of Motion Picture Association of America, Inc. To Defendant's Subpoena

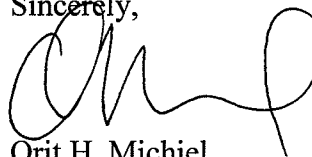

Dear Mr. Gunlicks:

This is in further follow up to our discussions concerning the subpoena issued on behalf of defendant Daniel Dove on May 5, 2008 (the "Subpoena") to Motion Picture Association of America, Inc. ("MPAA") and the Motion to Compel Compliance with Subpoena by the Motion Picture Association of America, Inc. (the "Motion") you filed June 2, 2008

Pursuant to our discussions and your request, MPAA conducted a search for documents responsive to the Subpoena and which refer to your client Daniel Dove by Mr. Dove's various user names, including, "Duffman" and "McCalister." As I stated in my letter of June 3, 2008, MPAA was unable to find any additional documents responsive to the Subpoena. You have since asked MPAA to conduct an additional search under your client's other possible user names, which did not produce any results. Finally, in an effort to resolve this matter without need for a court hearing, you asked that MPAA produce a February 24, 2005 letter authored by James Spertus and sent to special agents Kiffa Shirley and Lori Jensen at the Federal Bureau of Investigation, which has already been produced in this matter by the government. In response to that express request, I enclose the letter.

Given MPAA's complete cooperation in this matter and its full compliance with the Subpoena, I understand that you will withdraw the Motion. If you have any questions, please contact me at (818) 935-5810.

Sincerely,
