<neeksor> huh

> dpg thought your name was daniel

> cause someone bought his shit on clickbank from AZ named daniel

<neeksor> lol

<neeksor> no

<neeksor> nick.

> i know

> NEEK

> heh

> china man kept callin you nick

<neeksor> rofl

> ;)

<neeksor> what's your name?

> daniel

<neeksor> oh

<neeksor> lol

<neeksor> cool

> you got a 64bit machine>?

<neeksor> i do?

<neeksor> at the office i have athlon 64

> did you give dpg the nsb shit?

> just curious cause he's askin about it

<neeksor> hello

> whats up man?

neeksor.EFNet.log

&gt; i heard some crazy shit

[00:04] &lt;neeksor&gt; lol

[00:04] &lt;neeksor&gt; they're wrong.

[00:04] &lt;neeksor&gt; stupid fdc.

[00:04] &gt; tell me

[00:05] &gt; punka all tellin me some shit like your gettin subpoenaed

[00:05] &gt; or some shit

[00:06] &lt;neeksor&gt; lol

[00:06] &lt;neeksor&gt; i have received nothing

[00:06] &gt; &lt;MacGuyver&gt; we had to shut his box down today

[00:06] &gt; &lt;MacGuyver&gt; cause of a court order

[00:06] &gt; &lt;MacGuyver&gt; regarding spam and shit i believe

[00:06] &gt; &gt; damn

[00:06] &gt; &gt; he was spammin from there?

[00:06] &gt; &lt;MacGuyver&gt; i dunno i'm still waiting on the papers

[00:06] &gt; &lt;MacGuyver&gt; but FDC was served with the subpeonea today

[00:06] &lt;neeksor&gt; lol

[00:06] &lt;neeksor&gt; that != bad

[00:07] &lt;neeksor&gt; search warrant = bad

[00:07] &gt; were you spammin from there?

[00:07] &gt; ;)

[00:07] &lt;neeksor&gt; no.

[00:07] &gt; odd

[00:08] &gt; so wtf could it be??

[00:09] &lt;neeksor&gt; duhno

[00:09] &lt;neeksor&gt; dont care

[00:09] &lt;neeksor&gt; i will care when i see papers.

[00:09] &gt; it aint really illegal though i thought?

[00:09] &lt;neeksor&gt; nope.

[00:09] &lt;neeksor&gt; i'm thinking its torrent bs

[00:09] &lt;neeksor&gt; or something

[00:10] &gt; that'd be more odd probably

[00:27] &lt;neeksor&gt; hehe

[00:27] &lt;neeksor&gt; well i did have a small ftpd

[00:27] &lt;neeksor&gt; was only a small group.. perhaps wrong people caught wind of it

[01:36] &lt;neeksor&gt; sup

[01:38] &gt; sup dude

[01:38] &gt; you alright?

[01:40] &lt;neeksor&gt; yeah man, why?

[01:40] &lt;neeksor&gt; I was at disneyland.

[01:40] &gt; rofl

[01:41] &lt;neeksor&gt; lol

[01:41] &lt;neeksor&gt; why??

[01:41] &gt; your fdc box got all shut down n shit

[01:41] &gt; then rumors started FLYIN around

[01:41] &gt; dpq starting most of them

[01:41] &gt; some crazy shit

[01:42] &lt;neeksor&gt; lol

[01:42] &lt;neeksor&gt; yeah, that's pretty funny man.

[01:42] &lt;neeksor&gt; i guess they got some subpoena but haven't forwarded it to mee

[01:42] &lt;neeksor&gt; it's been over a week

[01:42] &lt;neeksor&gt; so fuck them

[01:42] &gt; punk thought you were spammin from there

[01:42] &gt; he said it wasnt warez related

[01:42] &lt;neeksor&gt; nah i wasn't.

[01:42] &lt;neeksor&gt; i wouldn't, i have plenty of overseas machines for it

[01:43] &gt; thats what i figured

[01:43] &lt;neeksor&gt; he's full of shit man, he said they wouldn't tell him.

neeksor.EFNet.log

[01:43] <neeksor> so until i get some papers in my hand, i don't give a shit  
 [01:43] > whats krylon talkin to me about this nsT shit  
 [01:43] > tryin to hax0r it  
 [01:43] > dont tell him i told you  
 [01:43] <neeksor> lol  
 [01:43] <neeksor> he won't figure it out.  
 [01:44] > obviously.... he wanted me too  
 [01:44] > i didnt know what it was at first  
 [01:44] <neeksor> i don't remember giving it to you though  
 [01:44] > you didnt  
 [01:44] <neeksor> where did you get a copy ?  
 [01:44] <neeksor> I know chinaman doesn't reinstall machines  
 [01:44] <neeksor> so i know my shit is floating around  
 [01:44] <neeksor> heh  
 [01:44] <neeksor> but no source  
 [01:44] <neeksor> only binary  
 [01:44] > i saw it being run a couple weeks ago on a machine china man was testing  
 out  
 [01:45] > i think it was krylons box  
 [01:45] > which was your box  
 [01:45] <neeksor> yeah  
 [01:45] > i didnt get it then though  
 [01:45] > krylon just sent me it yesterday  
 [01:45] > i didnt even know it was yours  
 [01:45] > till i saw it  
 [01:45] <neeksor> lol  
 [01:45] > thought it was something krylon had  
 [01:45] > cause it was his box i saw it on  
 [01:45] <neeksor> it's the version i use.  
 [01:45] > or something you gave him  
 [01:45] > i figured as much  
 [01:46] <neeksor> now i always ln bash\_history ot /dev/null and only upload three  
 files  
 [01:46] <neeksor> fucking chinaman  
 [01:46] > bcwipe dat bitch  
 [01:46] <neeksor> well , when it happens.. they shut the machine off or whatnot  
 [01:46] > so you'll tell me right ;/ my sales have been SHIT  
 [01:46] <neeksor> and i can't get back in  
 [01:46] > i think ISPs are banning my IP  
 [01:46] > you ever had that?  
 [01:46] <neeksor> i've thought that's happened before  
 [01:46] <neeksor> but just adjust your ranges  
 [01:47] > you got any new software?  
 [01:47] > or just the repair shit  
 [01:47] <neeksor> clickbank got owned today man  
 [01:47] > yeah i noticed  
 [01:47] <neeksor> just repair stuff  
 [01:47] <neeksor> i am making alot of changes to it though  
 [01:47] <neeksor> to help sales.  
 [01:47] <neeksor> well to help conversion  
 [01:47] > version 2?  
 [01:48] > or just updating each day  
 [01:48] <neeksor> updating the site  
 [01:48] <neeksor> waiting on final changes from indians befor ei upload the changes  
 [01:51] > nice  
 [01:51] <neeksor> you get your check finally??  
 [01:51] > yeah  
 [01:51] <neeksor> cool.  
 [01:51] <neeksor> who's fuckup was it?  
 [01:51] > should get another.. they didnt fuckin overnight that shit  
 [01:51] > i assure you that  
 [01:52] <neeksor> ehe  
 [01:53] > either way i cant complain

neeksor.EFNet.log

[01:53] > 1400+BLING= 35k i've made  
 [01:53] <neeksor> wow, nice dude. :)  
 [01:53] <neeksor> where's my share??  
 [01:53] <neeksor> lol  
 [01:53] > we already talked bout that  
 [01:54] <neeksor> i forgot  
 [01:54] > i asked if i could hold off the 15% we agreed on till my program was up  
 [01:54] > bidding ends may1.. programs already made just 2 weeks for interface  
 [01:54] > so within 45 days  
 [01:55] <neeksor> what program  
 [01:55] > spyware program  
 [01:55] <neeksor> oh  
 [01:55] <neeksor> lol  
 [01:55] <neeksor> it will take awhile man, trust me...  
 [01:55] <neeksor> but whatever  
 [01:55] > how long?  
 [01:56] <neeksor> spyware stuff is pretty complicated  
 [01:56] <neeksor> my stuff still isnt' done.  
 [01:56] <neeksor> and it's been 4 months  
 [01:58] > waiting on who?  
 [01:58] <neeksor> the developer  
 [01:58] <neeksor> lots of changes had to be made  
 [01:58] > heh  
 [01:58] <neeksor> updates to the database  
 [01:58] <neeksor> of the spyware it looks for  
 [01:58] <neeksor> shit like that  
 [01:58] <neeksor> i've put like 6k in it so far  
 [01:58] > developer guaranteed within 30 days  
 [01:58] > updates n all  
 [01:58] > off major database  
 [01:58] > want the link?  
 [01:59] > 45days\*  
 [01:59] <neeksor> yeah well, all i'm saying is what i've been going through  
 [01:59] <neeksor> heh  
 [01:59] > this aint no super spyware app  
 [01:59] <neeksor> yeah  
 [01:59] > they develop the software already and just reskin  
 [01:59] > plus implement the clickbank shit  
 [01:59] <neeksor> clickbank is simple.  
 [02:00] > yeah so my shit really shouldnt be that long.. this is just my startup  
 shit it will look good and from what i've seen it is good at keeping up with new  
 shifts  
 [02:00] > ive spent last 30 days lookin at it and updating it.. at least 20 updates  
 a week are done on it

[02:17] <neeksor> nice.  
 [02:17] > very very nice  
 [02:17] > ;0  
 [02:17] <neeksor> sexy  
 [02:17] <neeksor> send some my way.  
 [02:17] <neeksor> smokey  
 [02:18] > grow you some  
 [02:18] <neeksor> lol  
 [02:18] <neeksor> if i smoke it the wife gets mad  
 [02:18] > bah  
 [02:18] <neeksor> i can only imagine what she would do if i decided to grow.  
 [02:18] > meh.. one small 3'x3' box double layered insulated with dynamat heat  
 reflection tucked away in the depths of your house  
 [02:19] <neeksor> ehe  
 [02:19] <neeksor> there are no depths to my house

```

neeksor.EFNet.log
[02:19] > slap carboard around it like a microwave box
[02:19] <neeksor> it's single level, no basement.
[02:19] > so whats up with nst shit man you gotta tell me.. im dyin to know
[02:19] > wow that 600k house?
[02:20] <neeksor> i haven't bought it yet.
[02:20] <neeksor> that one is single level no basement as well
[02:20] > see you gotta build
[02:20] <neeksor> 4000sqft
[02:20] > single level or not... build a false wall at basement level between two
rooms
[02:21] <neeksor> ehe
[02:21] <neeksor> i'll just not smoke
[02:21] > call it a safe
[02:21] > bah
[02:22] <neeksor> yeah
[02:22] > so nst? you gonna spill da beans? ill keep it a secret... i fo sure
wont be tellin krylon
[02:22] <neeksor> ehe
[02:22] <neeksor> i don't remember telling you how to use it
[02:22] <neeksor> lol
[02:22] <neeksor> i'm th eonly one that uses that man
[02:22] <neeksor> my special brew!
[02:22] <neeksor> not like you bitches are hurting anyways
[02:22] > i am
[02:23] <neeksor> you're hurting?
[02:23] <neeksor> lol
[02:23] > i was doin lk a day till krylon started now it seems they are down
[02:23] <neeksor> bah bs
[02:23] <neeksor> lol
[02:23] <neeksor> i've only made more money since helping people.

[02:24] > that range is 3 days old
[02:24] > and its 3.3million IP's
[02:24] > good message
[02:24] <neeksor> lol
[02:24] <neeksor> have you taken the web traffic logs from your domains
[02:24] > yeah
[02:24] <neeksor> parsed those and sent to those ranges?
[02:24] > i got 250,000 hits
[02:24] > since i bought domain in march 7
[02:24] > oh no
[02:24] > i dont have that
[02:24] <neeksor> you need that.
[02:24] <neeksor> that = gold
[02:25] > see
[02:25] > my domains auto fwd
[02:25] <neeksor> oh

```

[02:25] > i would have to change that
[02:25] <neeksor> you should change that then.
[02:25] > good idea though
[02:25] <neeksor> yeah
[02:25] <neeksor> it will work
[02:26] > whats your ending total
[02:26] > got 30 min left
[02:26] <neeksor> ehe
[02:26] <neeksor> it's alot.
[02:26] > ...
[02:26] <neeksor> Period ending 2005-05-01: $179,214.45
[02:27] > holy fucking crap dude
[02:27] <neeksor> you should try promoting my registry cleaning stuff, if you want.
[02:27] > like you cant afford to gimme nst
[02:27] > rofl
[02:27] <neeksor> it's my baby.
[02:27] <neeksor> ;)
[02:27] > i wlil if you let me use nst
[02:27] > ;0
[02:27] <neeksor> lol
[02:27] > i cant complain
[02:27] <neeksor> nobody else has it man.
[02:27] > i know
[02:27] <neeksor> well somehow people got it
[02:27] <neeksor> but they can't work it
[02:27] <neeksor> :)
[02:27] > krylon gonna go crazy though
[02:27] <neeksor> he's way off
[02:27] > people??
[02:27] <neeksor> the options are nowhere near the same
[02:27] <neeksor> yeah man
[02:27] <neeksor> fucking china guy
[02:27] <neeksor> when i would stop using a box..
[02:27] <neeksor> they wouldn't reinstall
[02:28] > fuck that
[02:28] <neeksor> so now on every new machine , i only upload 3 files
[02:28] <neeksor> i link bash history to /dev/null
[02:28] > fuck i need to get my software done
[02:29] <neeksor> yeah
[02:29] > i havent given it out at all
[02:29] > i swear to god
[02:29] > i only had one box
[02:29] <neeksor> i'm not concerned
[02:29] <neeksor> lol
[02:29] <neeksor> but the less people that know how to work it, the longer i'll be
able to keep it to myself.
[02:29] > whats so special?
[02:30] > nm
[02:30] <neeksor> i duhno why ppl want it
[02:30] <neeksor> it's pretty much same as nsb
[02:30] <neeksor> but uses threads
[02:30] > toys
[02:30] <neeksor> so you can get full usage
[02:30] <neeksor> i was pushing 350MB/s with it
[02:40] > wth
[02:40] > 350mBYTES?
[02:40] <neeksor> mbit
[02:40] > oh lol
[02:40] <neeksor> so like 35,000kbytes/s

[02:16] &lt;neeksor&gt; how is your spyware stuff coming along

[02:16] &gt; pretty decent

[02:16] &gt; i need more info on the keygen shit though

[02:16] &gt; does clickbank provide enough info?

[02:22] &lt;neeksor&gt; yeah

[02:22] &lt;neeksor&gt; that's easy man.

[02:23] &gt; well i mean

[02:23] &gt; clickbank generates the code

[02:23] &gt; you just have to reverse that code correct?

[02:23] &lt;neeksor&gt; they give examples in perl , php and c

[02:24] &gt; ahh

[02:24] &gt; nice

[01:11] &lt;neeksor&gt; so you can buy shit but not hold up your end of our deal? I see how it is man. i suppose I made a mistake in helping you out.

[01:13] &gt; huh?

[01:14] &gt; dude you got the worst friggin memory

[01:14] &gt; we had this conversation 2 times already

[01:14] &gt; i asked you

[01:14] &gt; if until my software was done i held off on the 15%

[01:14] &gt; you said that was cool... 2 times already

[01:14] &gt; otherwise it would have been transferred to you already

[01:15] &gt; i never once acted shady about it

[01:15] &lt;neeksor&gt; lol

[01:15] &lt;neeksor&gt; why wait for your program man that doesn't make sense

[01:15] &lt;neeksor&gt; i have alot of things going on i forget shit

[01:15] &gt; i hear that

[01:16] &gt; whats my 1000\$ on top of your 190k checks though

[01:16] &gt; is what i was sayin

[01:16] &lt;neeksor&gt; it's part of your word.

[01:16] &lt;neeksor&gt; that's all.

[01:16] &gt; understandable

[01:16] &lt;neeksor&gt; i haven't had 190k check yet

[01:16] &gt; never planned on backing out on it

[01:16] &lt;neeksor&gt; ehehe

[01:16] &lt;neeksor&gt; 130

[01:16] &lt;neeksor&gt; next one will be like 150

[01:16] &lt;neeksor&gt; :)

[01:16] &gt; damn.. you must be broke as hell

[01:16] &lt;neeksor&gt; yeah i am

[01:16] &lt;neeksor&gt; i'm hurting dude

[01:17] &gt; if you make that much money and your hurtin.. you got bigger issues ;/

[01:18] &gt; shit i mean if you want the money ill bank it to you... i also planned on giving you 15% backpay

[01:18] &gt; once program was done

[01:18] &gt; i just am putting money into that.. da toys are tax deductable

 [01:20] <neeksor> ehe  
 [01:20] <neeksor> cool man  
 [01:20] <neeksor> nevermind then.  
 [01:20] > i made it clear to you that you hooked me the fuck up  
 [01:20] > so dont worry i wont forget about it  
 [01:20] > i aint left da country yet  
 [01:23] > program will be done in 20 days or less he said  
 [01:25] <neeksor> cool  
 [01:25] <neeksor> i need to test mine and see what needs to b e changed.

[14:33] > sup  
 [14:35] > you've never had problems with a china machine seeming like its getting banned IPs  
 [14:40] > ?  
 [14:42] <neeksor> i imagine after awhile some providers will firewall your ip  
 [14:49] > must be  
 [14:50] <neeksor> oke  
 [14:51] <neeksor> er

[03:30] > hows sales doin?  
 [03:30] <neeksor> good.  
 [03:30] > what kinda conversion rates do your resellers get  
 [03:30] <neeksor> i made 110k in 7 days.  
 [03:30] > nice man  
 [03:30] > nice  
 [03:30] <neeksor> i don't know.  
 [03:30] > gimme your link again?  
 [03:30] > or what is your shit  
 [03:30] <neeksor> i'm working on implementing new system, it will track that  
 [03:30] > repairreg?  
 [03:31] <neeksor> yeh  
 [03:32] > k  
 [03:32] > what kinda traffic  
 [03:32] > does your site get  
 [03:32] > bw usage/day or hour / min  
 [03:32] > just tryin to get an estimate  
 [03:33] > i do 6mB a day just on forward requests for 4 referring domains
