Dear Mr. Gunlicks,

Your understanding appears accurate. Additionally, as we discussed in our call today, I will send a copy of my cover letter to the Clerk of the Court without the enclosed documents. Should the Court request copies of the documents, we will respond and provide the requested information. The materials have been sent to you by FedEx, tracking number: 8653 9982 5899.

Sincerely,
Orit

Subject: USA v. Dove: Production of Documents

Dear Ms. Michiel,

I am writing to confirm our agreement for the production of documents by the MPAA pursuant to the Subpoena Duces Tecum issued by the US District Court of the Western District of Virginia in the matter of USA v. Dove.

Pursuant to our understanding, the MPAA will forward all responsive documents that it has located to my office, to Mr. Tyler Newby of the Department of Justice, and to the office of the clerk of court, Abingdon Division of the US District Court, WDVA. It is further agreed that I will be in receipt of those documents tomorrow.

Please provide the tracking number of the shipment made to my office upon shipment of the documents in order that I can advise my client of the status of the production.

Thank you for your assistance,
Michael Gunlicks
